Dear Ron,

I hope that this letter finds you well and recovered from your long flight home. I want to thank you for *The Mystery of You*, which Thomas Nisell sent me on your behalf. No doubt, the philosophical questions you raise in this book, together with Rabbi Steinsaltz, provide your readers with much 'food for thought.' I find your pursue of happiness and resolution in spirituality very compelling and absolutely fascinating. Thank you for the wonderful gift.

I send you and Dina my best wishes and warmest regards.

Yours in friendship,

Prof. Rivka Carmi, M.D.
